Dr Zaouia, Maejjat Commune, Chichaoua Province  
Marrakech-Safi Region, Morocco.

## SUMMARY

I am a student at ENSA Marrakech, specializing in computer engineering. I greatly enjoy programming to solve problems, and I am passionate about learning new programming languages and technologies in computer science and development. I am seeking an internship for my final year project (PFA). During this internship, my goal is to enhance my skills, unleash my energy, and demonstrate my determination.

## WORK EXPERIENCE

### E-commerce website for wholesalers (under development).

April 2024 - Present

- I collaborated with a team to complete this project.
- Designed a cost-effective e-commerce platform for wholesalers, optimizing resource use during development.
- Streamlined website functionality with Spring Boot and Angular.

### The Laboratory Information System (LIS) project with Java.

Mar 2024

- I collaborated with a team to complete this project.
- Technical environment: JAVA, JAVA FX, CSS, MySQL, Stripe, UML
- View on GitHub: [link](#).

### Simple chat website with PHP.

Jan 2024

- Creation of a chat website.
- Technical environment: Html, Php, MySQL.
- View on GitHub: [link](#).

## EDUCATION

### STUDY AT THE NATIONAL SCHOOL OF APPLIED SCIENCES OF MARRAKECH. 2021-TODAY

Cadi Ayyad University

- Engineering Cycle in Computer Engineering | 2023 – Present.
- Preparatory Cycle in Engineering Fundamentals | 2021 – 2023.

Lycée El Kawarezmi, Majjat, Chichaoua Province.

2018 – 2021

City College of Engineering

- Baccalaureate in Physical Sciences and Chemistry with Honors (Very Good) | 2021.
- Focused on mathematics, physics, and chemistry, building a strong foundation for engineering studies.

## CERTIFICATIONS

### Oracle Java Foundations Badge.

- Oracle MyLearn Platform, Java Beginner ([View Badge](#)) | 10-Apr-2025.
- .Oracle MyLearn Platform, Introduction to Oracle Cloud Essentials ([View Badge](#)) | 10-Apr-2025.

## ADDITIONAL INFORMATION

### PROGRAMMING LANGUAGES

- C/C++, SQL, PHP, JAVA | Advanced.
- ANGULAR, REACT | Beginner.
- GIT, SPRING BOOT | Intermediate.

### LANGUAGES
