AOURIR AISSAM

2ND-YEAR COMPUTER ENGINEERING STUDENT ACTIVELY SEEKING A PFA INTERNSHIP.

PROFILE

I am a student at ENSA Marrakech, specializing in computer engineering. I greatly enjoy programming to solve problems, and I am passionate about learning new programming languages and technologies in computer science and development. I am seeking an internship for my final year project (PFA). During this internship, my goal is to enhance my skills, unleash my energy, and demonstrate my determination.
